INCIDENT TIME:

INCIDENT LOCATION:

The Duluth Police Department is seeking the public's assistance in locating two missing juvenile females from Wisconsin. On Saturday February 4th, 2018, the Duluth Police Department received a report that the two juvenile females, were in Duluth on a field trip, and went missing from their group. The missing juvenile females have been identified as: AUDREY NASH, 15 years of age, white female, 504, 102 lbs, brown hair, last seen wearing a dark green jacket and black snow pants and CANDUS FLODIN, 15 years of age, white female, 507, 152 lbs, brown hair, last seen wearing a dark blue coat and black snow pants. We believe the females are run-aways. Neither of the females is from the area, has no known connection to the area, nor are they believed to be in possession of a cell phone.

Update: It is possible that the juvenile females maybe in the Minneapolis or Mankato areas.

Anyone with information to the whereabouts of the juvenile females are asked to call the Duluth Police Department at (218) 730-5150 or 911 (after hours).
